

ADVANTAGES

SAFETY:

Can't attack skin...
No acid burns!

REDUCES FUMES:

Significantly reduces harmful fumes and vapor clouds!

LESS CORROSIVE:

With reduced fuming, there is less corrosion to metal structures and chemical room components - including shelving, storage sheds, service vehicles, pool equipment, and filtration systems.

EQUALLY EFFECTIVE:

ACID Magic is equally active for all applications when compared to industrial muriatic acid.

SAFER HANDLING:

By reducing the risk of harmful fumes and acid burns, it allows for safer transport and storage. Ship gallon and quarts UPS or FedEx!

SAFER TO USE!

ACID Magic™

Muriatic Acid Replacement

ACID MAGIC ORDER INFORMATION

Size	Part No.	Case Qty.
Quart	USA/32-1	12
Gallon	USA/128-1	4
5 Gallons	USA/5G-1	1

SAFER TO USE!

ACID Magic™

Muriatic Acid Replacement

Pool & Spa Acid
that **REDUCES**
Harmful Fumes!

ACID Magic™

Muriatic Acid Replacement

ACID Magic is a muriatic acid replacement that is the result of combining a buffer with Hydrochloric Acid which renders the acid much safer for human skin. This product offers the advantages of most acids, while nearly eliminating the objectionable properties - including harmful and dangerous **fumes**.

- Reduces fumes by 90%.
- Can't burn intact skin.
- Acid wash.
- pH down.
- Cleans filters.
- Cleans porcelain, glass and tile.
- Removes scale, rust and mineral deposits.
- Ship gallons and quarts UPS and FedEx.
- Clean up pool heaters and heat exchangers.
- Use on cells of chlorine generators and meter electrodes.
- **Safer to handle, Safer to store, Safer to transport. Reduces liability.**

APPLICATIONS

pH ADJUSTMENT:

1 Quart per 10,000 gallons

3 oz. per 1,000 gallons.

If pH is above 8.0, test to ensure proper amount.

ACID WASH:

Use the same as muriatic acid or dilute as needed.

GENERAL CLEANING:

1 part **ACID Magic** per 4 parts water, or desired strength.

(Avoid using on aluminum or metal plated products as discoloration may occur.)

USES:

Use **ACID Magic** in pools, spas, and hot tubs. Excellent for cleaning tiles and concrete; filters; scale and rust; mineral build-ups; cells of chlorine generators; heat exchangers; and as a disinfectant cleaner.

WARRANTY:

The product is sold with exclusion of all warranty, expressed or implied, statutory or otherwise. User assumes all risk.
