Traveling westbound on 422 from King of Prussia, exit at Armand Hammer Boulevard and travel straight across Armand Hammer and turn left at the "T" at Industrial Highway, travel past the Keim Street Bridge on your left and then turn right on Keim Street at the steel scrap yard.

*When you have made the right hand turn onto Keim Street at the scrap yard, travel across the railroad tracks and look for the **Pottstown Industrial Complex** sign immediately on your left, which shows building locations within the complex. Our warehouse is in the red section labeled **2B-2 & 2B-3**. From the railroad tracks proceed straight until you come to a FedEx package deposit box on the right. Turn right just before the FedEx box into the stone parking lot and our building is directly in front of you. You will see a small office area protruding out from the building. There two drive-in doors to the right of the office. Next to the right hand drive-in door are two dock doors. Only the dock door on the left is accessible from our warehouse.*
