

ROAD RUNNER

ICE MELT

Blended to Melt Ice at the Right Price

- Bags: 10 lbs., 20 lbs., 40 lbs., 50 lbs., 80 lbs.
- Shaker Jug: 12 lbs.
- Boxes: 50 lbs., 100 lbs.
- Pail: 50 lbs.

RoadRunner Always Has the Advantage

- Contains calcium chloride – the fastest dry de-icer on the market
- Begins melting immediately upon impact – generates melting heat fast
- Effectively melts ice down to -15°F
- Needs fewer applications than rock salt
- Safe on streets, driveways, sidewalks, steps and the environment – when applied correctly
- Doesn't track – it's colorless and odorless
